To Whom It May Concern:

We wish to introduce you to the "Utah Contractor Referral Directory," which has been prepared by the Utah State Historic Preservation Office. The purpose of the directory is to assist historic building owners in locating professional consultants and contractors who have expertise in working on historic buildings.

If you are a building owner or representative, please pass the enclosed form along to any contractors you are aware of that have demonstrated skill and interest in rehabilitating historic buildings. Or, if you wish, give the contractor's name, trade and company information to the Preservation Office directly. If you are a contractor, please fill out the form and return it to the Utah State Historic Preservation Office if you would like to be included in the directory. Contractors are listed under their areas of expertise. We update the directory regularly.

Thank you for your interest and assistance with this vital and informative directory. Be sure to complete all areas of the form and return it to: Don Hartley, Utah State Historic Preservation Office, 300 Rio Grande, Salt Lake City, Utah 84101 or FAX it to: 533.3503 or e-mail it to: dhartley@history.state.ut.us Please call 533.3560 if you have any questions regarding the Utah Contractor Referral Directory.

Sincerely,

Don Hartley
